India

Dear Tambor:

As a result of our recent evaluation, Rainforest Alliance has verified that the Khasi Hills REDD+ Project is in conformance with *the Plan Vivo 2013 Standard*. Ka Synjuk ki Hima Arliang Wah Umiam Mawphlang Welfare Society has been issued a project specific verification code, **RA-VER-PV-021909**, effective 19 June 2017. Your verification statement is enclosed, as well as a signed copy of your verification agreement.

For specific guidance regarding how you may represent your verification in business-to-business communications and other promotional materials, please refer to Section 2 of the verification agreement, "Verification Claims and Trademark Usage."

Congratulations on your Rainforest Alliance Plan Vivo verification. We look forward to working with you in the future.

Sincerely,

Klaus Geiger
Senior Staff Carbon Projects Auditor
