Dear Ariana:

As a result of our recent evaluation, Rainforest Alliance has verified that the Trees of Hope Project is in conformance with *the Plan Vivo Standards 2008 Version*. The Trees of Hope Project has been issued a project specific verification code, **RA-VER-PV-021711**, effective 26 July 2017. Your verification statement is enclosed, as well as a signed copy of your verification agreement.

For specific guidance regarding how you may represent your verification in business-to-business communications and other promotional materials, please refer to Section 2 of the verification agreement, "Verification Claims and Trademark Usage."

Congratulations on your Rainforest Alliance Plan Vivo verification. We look forward to working with you in the future.

Sincerely,
